

Company Profile

AKAO & CO., LTD. was established in 1897 by the first President, Tamotsu Akao, who began selling fire-fighting hoses. Over the past 120 years, we had become a specialized trading company involved in all aspect of the fire-protection, disaster-prevention, and safety business.

- 1962**:we also began the production and sales of fire-fighting clothing.
- 2010**:we started two head office structure to strengthen the sales of our products.
- 2011**:we started Rescue Operation Vehicle saled business. We already sold the vehicle more than 60unit so far.
- 2016**:we started ambulance sales business and delivered special particular ambulances to Mobility Ambulance Unit of Tokyo Fire Department.

Taking pride in our long history, we intend to constantly develop new products that anticipate the need of the time so that we may fulfill our role and expectations as a pioneer in the fire-fighting and disaster prevention industries as well as to make further contributions for benefits of society.
